ORDER

Elizabeth F. Pavlis, counsel of record for defendants in the above-styled cases, has moved for leave of absence. The Court is mindful that personal and professional obligations require the absence of counsel on occasion. The Court, however, cannot accommodate its schedule to the thousands of attorneys who practice within the Southern District of Georgia.

Counsel may be absent at the times requested. However, nothing shall prevent these cases from going forward; all discovery shall proceed, status conferences, pretrial conferences, and trial shall

not be interrupted or delayed. It is the affirmative obligation of counsel to provide a fitting substitute.

SO ORDERED this 22<sup>nd</sup> day of February 2018.
